ABOUT US.

STRONG PANELS. SMOOTH OPERATIONS.
CONSISTENT HOSPITAL GROWTH.

VISION

- Become a trusted partner for hospital growth
- Build strong panel-driven hospital networks
- Deliver end-to-end services from staffing to facility management
- Create efficient, scalable and well-managed hospital systems

MISSION

- Drive hospital revenue through strong panel management
- Ensure consistent patient inflow from verified schemes
- Deliver smooth operations including billing & front office
- Provide complete support in housekeeping, canteen & security
- Maintain compliant and efficient hospital systems

Radhe Healthcare Services helps hospitals build a stable and profitable system by strengthening panel approvals, improving daily operations, and providing skilled staff. **Established in 2016 by Mr. Ranjeet Bhati**, the focus has always been practical execution and consistent results. **Panels including ECHS, ESI / ESIC, CGHS, DGEHS, Ayushman Bharat, Haryana Government panels, and Private TPA** panels are managed efficiently, allowing hospitals to focus on quality patient care.

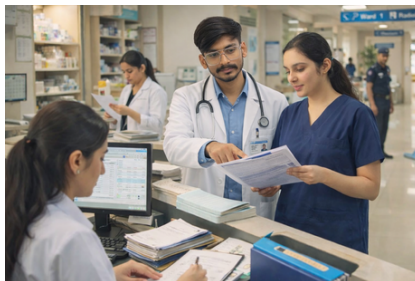

- ✓ Proven Experience in Govt & Private Panels
- ✓ MSME, GST Registered & Labor License Approved
- ✓ End-to-End Hospital Staffing & Operations Support

The Organization.
